Public spaces - Suites with connecting doors * Suites are equipped for use by disabled guests ● Lift ● Glass Lift ↑ Tendering Area

- Suites 913 and 914 are approx. 30 cm / 1 ft narrower in the living room and bedroom areas than the standard suites; this is the reason for their price classification in Category 6.
- Due to technical construction reasons, the verandas of the stern suites 565, 566, 665 and 666 have steel rather than glass enclosures.
- Due to technical construction reasons, the suites 627, 628, 715, 716, 729 and 730 have slightly obstructed views.
- Wind conditions may cause soot deposits on the verandas of the stern suites 565 – 570 and 665 – 670.
- The suites without a veranda may be subject to a slight noise disturbance as a result of docking and mooring.
- The suites above the Europa Lounge and Gatsby's may be subject to a slight noise disturbance as a result of the entertainment programme.
- The suites below the fitness course room may be subject to a slight noise disturbance as a result of the sports programme.
